SPECIAL NOTE FROM THE CEO

2017 was a momentous year for First Federal Credit Union as we opened our new Westdale location and welcomed the members of Eaton Employees Credit Union into our organization. Many more great things are happening as we look to the future

and how to best serve our members in the coming years.

There have been many changes through our 92 years – technology, products, locations... but the one constant has

been the enduring support of our Members. Our Annual Meeting is a way to continue the conversation with our members to help determine how we can improve upon the delivery of products and services. We must listen to our Members in order to learn what your needs are – and I encourage all of our Members to use their voice to help us learn how we can improve what we do for you.

I also would like to take this opportunity to thank our volunteer Board of Directors, Supervisory Committee volunteers, and our employees for their hard work and dedication. As a result of your efforts, we continue to deliver a financially strong and vibrant Member-focused organization.

We look forward to seeing you at our Annual Meeting on April 2nd!
